Eco-friendly Slate

Benefits of Natural Roof Slate

Completely Natural Product - thin layers of natural rock.

Environmentally Friendly - requires minimal processing, reduced Co2.

Re-Usable - 100 year old slate can be salvaged/reclaimed/re-used;

Durability / Long Life - Have been used on West of Ireland roofs for more than 150 years.

Aesthetics - Natural Slate Roofs are attractive. They exude high quality and provide a distinctive finish to any building. Different slate types, colour, selections and gauge can provide either modern or traditional rustic finishes.

Increased Property Value - Natural Slate are slightly more expensive to purchase and fit. However, due to all of the above, it is normally reflected in the market value of the property.

MANOR Natural Roof Slate

Our most prestigious natural slate, quarried exclusively for Slate Supplies.
 Deep blue black in colour, with a distinctive vertical grain. Very flat and consistent, therefore require minimal grading on site.
 Used on heritage and traditional buildings for more than 25 years.

WESTERN Natural Roof Slate

Our most popular slate, quarried exclusively for Slate Supplies. Blue Black in colour, very strong, textured/riven surface, wide dressed edges gives it a distinct traditional rustic finish. Fitted on the most exposed sites in Ireland, for more than 35 years. Favourite with Architects, have been fitted on numerous heritage projects. As the Western Slate is produced from harder rock, they require a little more attention before and during fitting than softer slate options. However, once fitted, the client can enjoy all the benefits of the highest quality traditional slate roof, with a rock solid 100 year guarantee.

Reclaimed Blue Bangor/Bangor Blue/Welsh Slate

In an effort to maintain our heritage, Slate Supplies trade in, or just buy re-usable Bangor slate.
 We check, sort and grade all slate to ensure they are of highest quality and are re-usable. We have industrial guillotines for cutting down broken slate to smaller sizes to minimise waste.
 Due to limited availability and a large range of sizes, we recommend you contact our office for up to date stock listings, and order slate before you set your battens.
